

Team Relay Canadian XCO MTB Championships

Format:

A single event, with teams completing 4 laps of the XCO course, or a slightly modified XCO course. The exchange between riders will take place in an exchange zone.

Team Composition:

We have developed a simple points system that is used to build a team. Each category of rider is assigned a points value, and all 4 riders on the team must add up to a maximum of 275 points

	<u>Men</u>	<u>Women</u>
Elite	100	50
U23	75	25
Junior	50	20
Cadet	30	20

Each team must include at least one male and one female rider. A team who has only 3 riders may have one rider do 2 laps (these laps cannot be consecutive), this rider will be counted as two individuals for the team composition. Trade teams may bring in up to 2 riders who are not on their official Trade team roster as posted on the CCA web site, in order to field a complete team.

Registration:

Teams must submit their intent to race with an initial rider list two days prior to the event. Each Team may submit up to 2 substitute riders. Registration forms will be available at the registration office. The Registration fee for the race is \$100.00 per team. Each team must submit their final roster to the race office by 3pm the day prior to the race. All riders on the team must wear the matching jerseys to be identified as a team.
