Spring, 2014

Commissaire of the year award 2013

National:

- Steve Head, ON

International:

- Kevin MacCuish, BC

Congratulations to the following commissaires on their upgrades in 2013!

- Kevin MacCuish, BC,
- Andy Holmwood, AB, National Road Commissaire
- Catherine Blanchard, QC, National Mountain Bike Commissaire
- Cindy Landers, BC,
- Michelle Landers, BC, National BMX Commissaire

Cycling**CANADA**Cyclisme

We would like to extend special congratulations to **Wayne Pomario, BC**, for winning the *Allen G. Rae Builders Award* from Sports Officials Canada.

We are currently working on a commissaire database that will include all of Canada's UCI, National and Provincial commissaires as well as commissaire course instructors. This will help us identify potential candidates for National and UCI certifications, as well as areas that may require an extra focus on recruitment.

Commissaire Clothing

As of 2014, Cycling Canada commissaires are now required to only wear shirts with the new Cycling Canada logos. The order form for shirts is available on our website in the Officials section. <http://www.cyclingcanada.ca/commissaire-merchandise/>

Commissaire courses

Cycling Canada trained several new national commissaires over the past winter; we held two National BMX courses and a National Track Course. Good luck to all those who will be performing their practical evaluations this summer. This year we are planning to hold a National Mountain Bike and National Elite Mountain Bike course. Details will be posted soon.

Cycling Canada would also like to recognize and congratulate the following commissaires for achieving the status of National Road Elite Commissaire. They successfully completed the National Elite Course this past March in Colorado.

- Anne Cobban, ON
- Brad Day, ON
- Steve Head, ON
