National Training & Development Centres

**From:** Mathieu Boucher, Director Performance Development & Kathy Dufour,  
Development Coordinator

**Date:** November 24<sup>th</sup>, 2016

**Subject:** NCCP Performance Cycling- Competition Development Workshop

---

Cycling Canada (CC) is seeking interest from coaches to participate at a NCCP Competition Development workshop tentatively scheduled to take place on January 20<sup>th</sup>-22<sup>nd</sup>. The course will be presented in English by Ian Hughes (Development Coach, National MTB Team) with some guest speakers. This course will feature the following Competition Development modules: Analyzing Performance, Performance Planning, Managing a Program 1 and Planning a project.

*\*The choice of the workshop location will be determine by the provenance of the candidates.*

*\*\*If there is sufficient interest from French speaking candidates, a French workshop will be schedule next spring as well.*

Candidates must receive the recommendation of their provincial or territorial association. The Associations are encouraged to subsidize costs for candidates representing the province or territory.

**REGISTRATION PROCEDURE:**

Eligible candidates must complete the attached application form and return to the CC with payment for the course and accommodation if required.

Registration is \$250.00

***The registration deadline is December 20<sup>th</sup>, 2016. Candidates will receive confirmation as registrations are received.*** Participants will be notified by January 9<sup>th</sup> 2017, at which time payment will be required.

**COURSE LOCATION:**

To be confirmed

- Friday January 20th- (5:00pm -9:00pm) - Classroom session.
- Saturday January 21th- All day (9:00 -5:00) - Classroom session.
- Sunday January 22th– All day (9:00 -5:00) - Classroom session.
