1. General Information

- The Canadian Track Championships is a UCI CN class track event.
- The Canadian Track Championships will be governed by Cycling Canada
- The event will be held in accordance with UCI and Cycling Canada regulations. It is the responsibility of the rider to know the rules.
- UCI points will be allocated for the categories and events according to the UCI regulations.
- The Canadian Track Championships will take place on the date and time as scheduled. There will be no extension of the championships past Sunday April 2, 2017 due to unforeseen delays or prolonged stoppages. The racing format may also be modified at the discretion of the Chief Commissaire and the Technical Delegate.
- Equipment regulation, as per UCI rules and the Cycling Canada companion guide, will be enforced for all categories.
- Approved helmets will be mandatory for training and racing.
- Delegations/teams will be assigned pits based on the number of athletes. Smaller delegations will have to share pits.

3. Eligibility

- **Eligibility to race:**
To be able to participate and race, in all categories including UCI categories, you must be either a Canadian citizen (dual citizenship included), permanent resident, landed immigrants or an individual with refugee status. Proof of citizenship status or residence may be required (passport, permanent resident card, landed immigrant status or refugee status papers).
- **Eligibility to compete for the Canadian champion title/podium/medals/UCI points:**
Only the participants eligible to race (see above) who have Canadian has their UCI nationality will have access to the Canadian champion title, Canadian championships podium, Canadian Track Championships medal and UCI points.

- Should a rider eligible to race (see above) but of a different UCI nationality place among the top three overall finishers in the race category, a podium presentation will take place based on the finishing order of the race and a second podium presentation based on the Canadian championships results of eligible riders with Canadian UCI nationality will take place.
- All athletes must be in possession of a valid UCI international licence. Domestic licences (from Canada or other countries) will not be permitted.
- No one-day licences will be sold for the Canadian Championships.
- A licence must be presented to compete in the appropriate discipline.
- No registrations will be accepted on the day of the event.
- All competitors must enter their event class as shown on their licence.
- Classes are defined as per UCI rules based on the year of birth
- Athletes will not be considered registered for an event until the following administrative requirements have been completed:
 - Online registration has been done
 - Payment has been made
 - Waiver has been signed (if required)
 - UCI licence has been validated by the designated commissaires

4. Upgrades

At Canadian championships, athletes must race in the age category according to their license. The only exception to this will be for athletes who are in the last year of the U15 category (born in 2003, racing age 14) and meet all of the following requirements:

- Upgrades for team events are allowed as long as 50% of the team (2 members in the case of a team of 4) is racing in their appropriate age category. For the U17 team pursuit, the team pursuit is an event for teams of 4 riders. However, we will allow teams of 3 for U17 (a 3 riders team pursuit team must have at least one U17 rider).
- Athletes who have posted times, in timed events, that could potentially be top 5 at the Canadian Track Championships in the upgraded category may be upgraded (Kilo/500m, IP)
- Athletes wishing to race in bunch races in an upgraded category must receive the endorsement of their coach and Provincial Sport Organization (PSO). Cycling Canada may ask for verification of the rider's ability to ride in a pack.

Upgrades may be requested by the athlete's coach to the PSO who will contact Cycling Canada to process the request. The athlete (or coach) has to fill the upgrade document available on Cycling Canada's website. All requests for upgrades must be received no later than March 15, 2017. A letter of acceptance or denial will be forwarded to the PSO, coach and athlete. Should an athlete receive an upgrade, they will need to present their letter of upgrade to the commissaires at riders confirmation/numbers pick-up.

5. Gear restriction

- Juniors: unrestricted
- U17: 7.12m rollout (gearing suggestion: 50*15)
- If a rider has received an upgrade to race in the U17 category, the rider will be permitted to use the gearing applicable to U17
- Disc wheels will not be allowed for U17 (maximum rim depth 40mm)
- Carbon wheels will not be allowed for U17

6. Specific event regulations

- Sprint
 - The qualification for the sprint tournament will be a flying 200m.
 - Progression of the sprint tournament will be based on number of participants registered.
 - Only the 1/2 final and final will be a best of three
- Keirin
 - New in 2017: Keirin for U17 women & men
 - Progression of the keirin tournament will be based on the number of riders registered.
- Individual Pursuit (U17/Jr)
 - The top 4 riders with the fastest times in each category will race a second round for positions 1-4 (medal round).
 - New in 2017: The U17 categories will also have a second round of Individual Pursuit (as mentioned above)
- Scratch, Points and Elimination races
 - If there are more than 24 riders registered in a category for one of these races, there will be a qualification round (same race, but shorter distance – please refer to the Distances document on website).
- Madison
 - New in 2017: introduction of the Madison race, for Junior women and Junior men only. U17 riders will not be allowed on a Madison's team. For distances, please refer to the website.
- Team Sprint & Team Pursuit
 - Team compositions have to be submitted before the end of the 2nd session the day prior to the team events. Forms will be available at the managers meeting and at the info desk on the infield.

7. Numbers placement & Clothing

As per UCI rules, riders must wear two (2) number panels in all events, except for the events listed below:

- Kilo/500 TT
- Individual Pursuit
- Team Pursuit
- Team Sprint

Numbers must be worn on the lower back in the following manner:

Riders are required to wear clothing that corresponds with the team/club indicated on their license. Failure to wear appropriate clothing may result in fines. Independent riders must wear neutral

clothing, without sponsors.

8. UCI points

The Canadian Track Championships p/b Lexus is a UCI National Championships event and award UCI points according to the UCI regulations. Please refer to the UCI regulations for the table of points (p. 53-56): [Click here for UCI regulations](#)

9. Medals, jerseys & ceremonies

- Medals will be awarded in all categories in the following manner:
 - Gold, silver and bronze when there is a minimum of four (4) entries who start in a designated category (one team = one entry)
 - Gold and silver when there are only three (3) entries who start in a designated category
 - Gold when there are only two (2) entries who start in a designated category
 - A Canadian champion jersey will only be awarded to Canadian Championships title categories, providing there is a minimum of 5 starters in an individual events or 3 teams in team events.
Note: Should the minimum requirement not be met in a Canadian champion title event for a category, the winner will have the option to purchase a Canadian champion jersey, but only if there was a minimum of 2 riders/2 teams who completed the event in that category.
- All athletes who have placed on the podium must attend the award ceremonies. Failure to do so will result in a fine and loss of prize money when applicable. Riders who cannot attend the ceremony must advise the Chief commissaire or the Technical Delegate with a valid reason.
- Riders must wear their cycling kit to the award ceremony. Failure to do so will result in a fine and loss of award.
- Riders cannot wear or bring hats, water bottles, etc. on the podium. Doing so will result in a fine and loss of award.

10. Anti-doping

- CCES may conduct doping control. Athletes who are selected for testing will be met by a chaperone when they exit the track. Location of the doping control station will be identified.
- Athletes participating in the 2017 Canadian Track Championships who require the use of a medication that is included on the Prohibited List must apply for a Therapeutic Use Exemption (TUE) prior to participating in the event. This applies to all categories of athletes.

11. Race Clean seminar/Town Hall meeting

- ~~There will be a presentation on the topic of anti-doping on Saturday, April 1st 2017, 8pm to 9pm. The seminar will last one hour and attendance is mandatory for U17 & Junior athletes.~~

NOTE:

The seminar will not take place during these Canadian Track Championships, but will be presented at other competitions later this year.

There will be a meeting for provincial or club coaches with the National team coaches on Friday, March 31st at 10:30am, right after the managers meeting. It will be the opportunity to discuss National team programs, selections, etc.

Race numbers pick-up, license check & riders confirmation		
Location	Categories	When
On-site (infield)	- All	Friday, March 31st 8:30am-11:00am

Riders have to pick-up their numbers and confirm their events during this period. Another person can pick-up your numbers (coach or other rider), but they will need to present your UCI license.

IMPORTANT!

If you are unable to do so (late travel, for example), **you absolutely need to contact the Technical delegate**, Jessica Grand Bois (Jessica.grandbois@cyclingcanada.ca). A rider that hasn't picked up their numbers or informed the Technical delegate of their impossibility to do so will not appear on the start list. It is very important that accurate start lists are prepared, given the high number of riders in certain categories which may impact the schedule and progression of events (i.e.: qualification rounds for bunch races, progression of the keirin and sprint tournament, etc.).

14. Accreditation

Accreditation will not be required for these Championships. However, only athletes and team staff is allowed on the infield. If you are not an athlete, team staff or event staff and you shouldn't be on the infield, you will be asked to leave.

Media/photographers: please consult the Media section.

15. Athletes services

- Team pits will be allocated based on the number of athletes per team. Smaller delegation or independent athletes will share a common space. Pits will be clearly identified.
- Info desk: an information desk will be set near the commissaires platform. If you have any questions or concerns, please talk to the volunteers at the info desk.
- Schedule, results and start lists will be available online. We will share the link prior to the start of the championships. There will be paper copies of startlists and results posted on the infield. In an effort to reduce waste, **no paper copies of start lists and results will be distributed to teams/riders.**
- Wi-Fi: there is free public wi-fi in the velodrome.
- Equipment on the infield: equipment can be left on the infield overnight. However, please note that there will not be a security agent present during the night.

16. Medical

First aid will be on-site for all sessions. They will be located in the dedicated medical team pit. The medical team will treat athletes, staff, officials and volunteers.

The closest hospital is located 3.9km from the velodrome:

Milton District Hospital
Halton Healthcare
7030 Derry Road
Milton, ON
