Upgrades may be requested by the athlete's coach to the PSO who will contact Cycling Canada to process the request. All requests for upgrades must be received no later than **March 27, 2019**. A letter of acceptance or denial will be forwarded to the PSO, coach and athlete. Should an athlete receive an upgrade, they will need to present their letter of upgrade approval to the commissaires at Riders Confirmation/Numbers Pick-up.

Race numbers pick-up, license check & riders confirmation		
Location	Categories	When
On-site (infield)	All	Friday, April 12th 2019 8:30am-11:00am

Riders have to pick-up their numbers and confirm their events during this period. Another person can pick-up the numbers (coach or other rider), but they will need to present the rider's UCI license.

IMPORTANT!

If you are unable to do so (late travel, for example), **you absolutely need to contact the Technical Delegate**, Jolène Dupuis (jolene.dupuis@cyclingcanada.ca). A rider that has not picked up their numbers or informed the Technical Delegate of their impossibility to do so will not appear on the start list. It is very important that accurate start lists are prepared, given the high number of riders in certain categories which may impact the schedule and progression of events (i.e. qualification rounds for bunch races, progression of the Keirin and Sprint tournament, etc.).
